**SYNTHETIC TEST DATA - NOT A REAL PATIENT**

**Mercy Hospital - Emergency Department Note**

**Patient: Priya Raman  DOB: 1985-09-14  Member ID: M100205**

SSN: 900-55-1234  Phone: (555) 201-7788

Date of service: 2026-10-19

Low back pain for 2 weeks, now with progressive weakness in both legs over 3 days.

New urinary retention and saddle anesthesia since this morning.

Exam: decreased perianal sensation, bilateral ankle dorsiflexion 4/5.

Assessment: suspected cauda equina syndrome.

Plan: emergent MRI lumbar spine and neurosurgery consult.
